THE STORY

You've shot your last terrorist, beaten the bad guys, rescued the kingdom from the evil wizard, and restored peace to the galaxy. What's an arcade warrior supposed to do now? Prepare to give your mind a heavy duty mental workout. PUZZNIC seems so easy; just match the shapes together before the timer reaches zero. But looks can be deceiving! Each puzzle you encounter must be completed in a certain sequence. Some of them will please you, others will tease you, and a few are going to drive you mad!

**WE WILL NOT BE HELD RESPONSIBLE FOR THE
LOSS OF YOUR SANITY!**
